Bomb driver headcover by Daphne's: lifelike plush design, secure fit, lifetime warranty – the personal gift for golfers.

Description

Bomb Driver Headcover by Daphne's

The black bomb with a fuse is the perfect match for the club you launch your longest drives with. This Daphne headcover protects your driver head from scratches, dirt and rain and makes your golf bag instantly recognisable.

A gift with personality

Ideal for golfers with a sense of humour. A Daphne headcover is a personal golf gift – you don't need to know any club specs. Perfect for birthdays, Christmas, a new handicap or just because. Daphne's animal headcovers have been popular for decades and are seen on golf courses around the world.

Features

- Fits drivers up to 460 cc (all current drivers); fairway woods fit too, slightly looser
- Soft plush fur, fully lined – protects the club head from scratches
- Long knit sock for a secure fit, even on a trolley
- Durable stitching, lifelike and detailed
- Lifetime manufacturer warranty from Daphne's

- Delivery time 2–3 working days (Germany)

Care

Hand wash with mild detergent, air dry and fluff the fur with a hairdryer on a low setting.

Frequently asked questions

Does the headcover fit my driver?

Yes, it is made for all drivers up to 460 cc – that covers all current models. Fairway woods fit as well.

What warranty is included?

Daphne's offers a lifetime manufacturer warranty. If there is a problem, email us at info@tesi-golf.de and we will take care of it.
