Tour Lock Plastic End Caps

Item number	TLPCAPS
Brand	Tour Lock
Manufacturer part no.	TLPCAPS
Category	Weights / Screws

Tour Lock plastic end caps snap into the butt end and close the opening, e.g. when using Opti-Vibe weights without an additional Tour Lock Pro weight.

Description

Tour Lock Plastic End Caps

Tour Lock end caps snap into place and fill the hole left by the grip modifier. They are essential when working with Opti-Vibe weights and not capping the butt end with an additional Tour Lock Pro weight.

- Snap-in plastic end cap
- Accessory for Tour Lock Opti-Vibe
