Hand	for right handed
Bias	Draw
Club Type	Iron
for Handicap	High, Middle, Low, All

Description

The Acer XV Tour Blade is geared for golfers who are seeking maximum shot control or the ability to work the ball, while constructed from 304 stainless steel rivaling that nice soft, solid feel of a forged iron. These can be mixed and matched seamlessly with the Acer XV Pro to make the perfect blended set for the skilled player who may still need some help in the longer irons.
