Description

These are brand new and original TaylorMade Rescue TP Aldila RIP 85 Taper Tip graphite hybrid golf shafts. These were the stock shaft found in the TaylorMade R11 TP Rescue clubs.

Trim Code IH19

Note these are 0.355" taper tip and will fit some select hybrid heads other than the TaylorMade R11 TP Rescue. These will not fit our hybrids or other hybrids on the market with a 0.370" hosel diameter without using a shim such as our JSSHIM-STD.
