Clublength Ruler

Item number	090628
Category	Tools and Accessories

Designed for length measuring in accordance with R&A and USGA Rules of Golf

Description

A golf club length measuring ruler designed for measuring according to the R&A and USGA "Procedure for Measuring the Length of Golf Clubs." We’ve added some additional little features to allow clubmakers to use this ruler for trimming clubs and raw shafts to length, prior to assembly. Measures RH clubs only.
