Item number	DY702977
Brand	Dynacraft
EAN/GTIN	0852674702977
Manufacturer part no.	DY702977
Category	Golf Club Optimizing

Dynacraft Heavy Duty Lie Fitting Board with textured surface to show sole contact during lie fitting.

Description

Dynacraft Lie Fitting Board

The Dynacraft Lie Fitting Board helps assess club lie. Its textured surface leaves a wipeable black mark on the sole at impact, so special impact tape is not required. An opening helps keep the ball from rolling away and is positioned forward of the hitting area. Catalogue dimensions: approx. ⅛″ × 8″ × 16″.
