KBS C-Taper Lite 4-iron

Item number	KB09IX-004-4000
Brand	KBS
Manufacturer part no.	KB09IX-004-4000

KBS C-Taper Lite 4-iron – hochwertiges Golfzubehör von Tesi Golf.

Specifications

Ball Flight	Mid-High
Torque	2.0 d
Material	Steel
Weight	115 g
Shaft Type	Iron
Flex	X
Tip Diameter	0.355 in
Parallel Tip	0 in

Description

The C-TAPER LITE iron shaft incorporates proven KBS performance benefits - piercing trajectory and smooth feel - in a lighter weight design. The firm tip and stiff butt sections produce a mid-high trajectory and controlled spin. Featuring a constant taper design and proportionate increase in wall thickness, the C-TAPER LITE maximizes energy transfer for maximum distance. As a result, an average of 5 yards increased distance was seen during robot testing. The C-TAPER LITE come with the signature KBS brushed satin finish.
