KBS Tour Stahl Tapered – hochwertiges Golfzubehör von Tesi Golf.

Description

Designed for better players, the KBS Tour shaft was engineered with 'moment of inertia analysis' to deliver better transfer of energy from the player's hands to the club. This enhances the performance of well-executed swings delivering better dispersion, 'feel' response and ball flight. The 'feel' of KBS Tour shafts has fast become synonymous with playability.

Designed to fit major manufacture's pro-line irons and wedges requiring a 0.355" taper tip shafts.
