Orlimar Golf Intercept (Single Length) Iron Set 5 - GW Regular-Flex

Item number	OR023648
Brand	Acer
Category	Irons

Orlimar Intercept (Single Length) Eisen Set 5 - GW Regular-Flex – hochwertiges Golfzubehör von Tesi Golf.

Description

Orlimar Golf Intercept (Single Length) Iron Set

The Orlimar Intercept irons are all about developing consistency. By being all the same length, lie, balance and weight as a 7-iron, there is no need to change your posture, stance or ball position so you only have one thought process for every swing with your irons and wedges. Game improvement features include enhanced perimeter weighting by focusing weight where it is needed for golfers to experience a more solid feel and with precision accuracy. FlexFace Technology in the #5 and 6-irons help boost distance and ensure proper distance gaps and trajectories throughout the set. Head Material: Stainless steel, Shaft: Orlimar 95 Steel, Grip: Orlimar Custom Velvet.

SPECS
