Zero Friction Spectra golf balls with matte finish in neon orange, 12 balls: easy to find on the fairway and in the rough.

Description

Zero Friction Spectra Matte Golf Balls, Neon Orange (12 pcs)

The matte neon finish of Zero Friction Spectra golf balls is highly visible on the course – on the fairway, in the rough and in poor light – so you spend less time searching for your ball.

- Manufacturer: Zero Friction
- Matte finish, neon orange
- Contents: 12 balls
