Golf Pride's softest performance grip – CPX

The Golf Pride CPx grip is the softest performance grip Golf Pride has ever developed. With Plus4 technology for a larger lower hand and Golf Pride's Control Core, the CPx encourages lighter grip pressure for more control with unbeatable stability. An inviting EXO diamond quilted pattern provides optimal contact points and a better feel for ultimate grip performance.

- EXO 3D texture pattern for soft traction.
- Built-in Plus4 technology.
- Control Core technology.

- Enables light grip pressure.
- Golf Pride's softest feel ever.
- Core: 60.
- Colour: grey/blue.
- Available in Standard, Midsize, Jumbo and Undersize

The specially developed EXO diamond quilted pattern was designed to reduce vibration and maximise comfort in your hands. The Golf Pride CPX Standard grips look fantastic in the grey/blue colour combination and feature the EXO 3D texture pattern for soft traction with every shot. Control Core technology gives the grip extra stability, while the integrated Plus4 technology allows light grip pressure for more swing speed. Golf Pride says this is the softest feel ever!
