| **Grip Shape** | Ribbed |
| **Color** | schwarz |

## Description

### Golf Pride MCC ALIGN Standard Green

State-of-the-art rubber compound combined with a computer-designed non-slip surface pattern for maximum playability, comfort and confidence.
With a larger lower hand for more power plus the moderate surface texture and all-weather performance of the Tour Velvet, the Tour Velvet is the new standard in tackiness and performance.

The MCC Plus4 is a tour-proven hybrid golf grip with a larger lower hand and a new, softer rubber

material. The MCC Align simulates 4 extra wraps of tape in the lower hand to encourage lighter grip pressure, less tension and more power.

Weight: 52 g
Size: Standard
Core: 0.600 in
Shape: ribbed

The Golf Pride **MCC ALIGN Standard Green** is made from a perforated material that stays tacky even in the wet.
