The MCC Plus 4 Teams collection, available now, offers 20 unique colour combinations that let golfers represent their favourite sports team every time they play.

The MCC is the No. 1 grip series worldwide™ and has been used by amateurs and professionals alike to win more than 250 times on tour. The patented Multi-Compound design combines the positive performance of rubber and cord for ultimate feel and response, and gives golfers the opportunity to show their passion for their sports team through unique styling.

"The MCC Teams grips are an extremely exciting collection that will allow sports fans around the world to show their support and passion for their team every time they pick up a golf club," said Bruce Miller, product manager at Golf Pride.

"This latest member of the MCC family is available now and offers the same high performance and quality that the Multi-Compound design has proven time and again in more than 20 major championships.

The MCC Plus 4 Team grips are available in both standard and midsize.
