Description

Golf Pride Tour Velvet – the gold standard among golf grips

Maximum control, classic feel and No. 1 on tour. First-class feedback, non-slip texture and a precise fit for your game.

The **Golf Pride Tour Velvet** combines an exclusive rubber compound with a computer-designed surface profile for ultimate playability. Whether in dry conditions or high humidity – this grip offers the feedback

trusted by professionals worldwide.

Why the Golf Pride Tour Velvet is the best choice:

- **State-of-the-art rubber compound:** A unique material composition provides moderate feedback and high comfort with every shot.
- **Non-slip plus-sign texture:** The scientifically developed pattern channels away moisture and maximises traction for a secure hold without tensing up.
- **Consistency in every size:** From Junior to Jumbo – the performance remains identical across all sizes.

Technical specifications & versions

Size	Core size	Weight	Target group
Junior	50 Ribbed	45g	Children & teenagers
Undersize	58 Round	45g	Ladies / small hands
Standard	60 Round / 58 Round	49.5g	Most played standard
Midsize	60 Round	53.5g	Large hands / less hand action
Jumbo	60 Round	61g	Maximum relief (suitable for arthritis)

Core size guide: choosing the right diameter

- **60 Round (.600"):** The modern standard for most graphite and steel shafts.
- **58 Round (.580"):** Thicker wall. Creates a slightly thicker grip on a .600 shaft.
- **Ribbed (60/58/50):** With an internal longitudinal ridge ("reminder") for consistent hand positioning every time.

Pro tip: care for maximum lifespan

So that your grip still feels like new after 50 rounds:

- **Cleaning:** Mild washing-up liquid, warm water, soft brush.
- **Drying:** Pat dry with a clean towel (do not rub).
- **Storage:** Store indoors; avoid heat and UV radiation in the car.
- **Replacement interval:** Every 12–18 months or after approx. 40 rounds.
