Description

Karma Big Softy 1.3 16" Oversize Putter Grip

It's big, it's soft, and it's perfect for today's modern putters. The Karma Big Softy 1.3 putter grip has a reduced taper profile with a wide, flat front to take the wrists out of the putting stroke, for a smoother, more consistent and more precise putting experience. When putting, feel and consistent alignment play an important role. Shape and diameter define the feel in your hands and should suit your usual putting stroke.
