Description

Star Grips Smoothee: smooth wrap grip with a retro look

Size: Standard · Colour: Black

The Smoothee is based on the Star Classic Wrap but has no perforation. This gives your hand – or glove – more contact surface and maximum hold. If you are looking for the feel of a classic leather wrap, this is your grip: classic, retro, smooth.

Features

- Smooth wrap look without perforation
- Maximum contact surface and tack

- Soft, tacky rubber compound

Tapeless installation – ready to play at once

Star Grips have a particularly high rubber content and are therefore very elastic. With the Star Grip Installation Gun they are installed with compressed air in seconds – no grip tape, no solvent and no drying time. Classic installation with grip tape and solvent is of course also possible.

Alternative to Pure Grips

Have you played Pure Grips until now? Star Grips are the obvious alternative: also seamless, with a high rubber content and tapeless installation.
