SuperStroke Zenergy Claw Putter Grip

Item number	STPZ-Claw
Brand	SuperStroke
Category	Putter Grips

Putter grip for the claw grip: pistol-style top and three flat sides for the lower hand.

Description

SuperStroke Zenergy Claw: the putter grip for the claw grip

The Claw is built for the claw putting style: the pistol-style top holds the lead hand securely, while the three flat sides give the lower hand plenty of surface for different positions.

Features

- Pistol-style top for the lead hand
- Three flat sides for the lower hand
- No Taper Technology for even grip pressure

Note

The CounterCore counterweight is not included. SuperStroke backweights are available separately.
