SuperStroke Zenergy Tour 3.0 17" Putter Grip

Item number	STP89
Brand	SuperStroke
Category	Putter Grips

Extended 17" putter grip with the parallel Tour 3.0 profile for mid-length and arm-lock putters.

Description

SuperStroke Zenergy Tour 3.0 17": extended putter grip for mid-length and arm-lock

This 17-inch (approx. 43 cm) version has the parallel profile of the Zenergy Tour 3.0. The extra length suits mid-length putters and golfers who anchor the grip along the lead forearm (arm-lock). This gives a very stable stroke.

Features

- 17 inches long, parallel Tour 3.0 profile
- No Taper Technology for even grip pressure
- For mid-length and arm-lock putters

Note

The CounterCore counterweight is not included. SuperStroke backweights are available separately.
