Description

Winn DriTac 2.0 Standard Black Golf Grip

After years of research and development, Winn is pleased to introduce the next generation of the Dri-Tac grip model. With improved feel and durability, the new Dri-Tac 2.0 represents the best of Winn polymer technology. Improved grip and responsive feel, increased durability, shock-absorbing and promotes a tension-free swing.

UNIQUE BENEFITS

WHAT MAKES WINN GRIPS THE BEST GRIPS IN GOLF?

It starts with the use of polymer grip technology. As the pioneer of polymer grips, Winn invented several polymer compounds that are slip-resistant in all weather conditions. Ultimately, they outperform conventional golf grips on today's market. Our polymers are uniquely formulated to achieve a wide range of firmnesses, textures and weights for every type of golfer.

WINN IS THE FIRST MANUFACTURER TO BRING PREMIUM POLYMER GOLF GRIPS TO GOLFERS.

Winn grips are designed for comfort to reduce hand fatigue, which means more time on the course.
